

# Summary of Work-Related Injuries and Illnesses

All establishments covered by Part 1904 must complete this Summary page even if no work-related injuries or illnesses occurred during the year. Remember **zero** the Log to verify that the entries are complete and accurate before completing this summary.

Using the Log, count the individual entries you made for each category. Then write the totals below, making sure you've added the entries from every page of Log. If you had no cases write "0".

Employees, former employees, and their representatives have the right to review the OSHA Form 300 in its entirety. They also have limited access to the OSHA Form 301 or its equivalent. See 29 CFR Part 1904.35 in OSHA's record keeping rule for further details on the access provisions for these forms.
